LD/OLL JOURNAL NOTE

Date 19 September 1984OLL No. 84-3550HILL CONTACT Jennifer Jones 224-0358COMMITTEE/MEMBER Senator Christopher DoddSUBJECT CIA Guest Speaker for Pace University StudentsACTION OFFICER

SUMMARY: Jennifer asked whether CIA could provide a speaker to address about 20 Pace University students on 25 October -- in the afternoon (they are scheduled to be at Pentagon in the a.m.) I discussed problem perhaps with such a restrictive time, and perhaps space here at CIA. Jennifer said she could probably arrange a room at the Capitol. I promised to get back to her when I determined whether there was someone available for that time.

--Mr. Briggs okayed speaker; George Lauder concurred. Later, a call came in from Congressman Ottinger's office to ask for briefing of these same students on the same day. I explained to since it apSTAT:d both were working on the same request.

21 September I called Jennifer who acknowledged she had been contacted by Mr. Ottinger's office and that office would handle all arrangements for the students, except the CIA portion, which she would retain. She then asked for a specific briefing on Central America. I said in that case I would have to defer to the State Department--we would only be willing to give a general overall intelligence briefing. She agreed to this and asked that it be set up for 1:00 to 2:30 p.m. on the 25th. I then asked for a written request signed by Senator Dodd before I could proceed. She will send letter to Mr. Briggs. She will also obtain a room in the Capitol for the CIA speaker to address the students.
